

## **Euromaxx – Die Wahrheit über Deutschland**

A very funny series from Deutsch-Welle's Euromaxx that investigates stereotypes relating to Germans.

These sites were collated from YouTube in 2009/10 and some seem to have been redone when I viewed them again in 2011. They are in German and there used to be English versions, but these were not as effective. The newer versions seem to combine the German with some English spoken facts. The ending of the new episodes seems to be "=relmfu", so if the link doesn't work, try replacing channel with that.
