When in the lesson did you say to yourself.....

Fast Forward Button “Hey! I know this! I can skip this bit”?

* You felt confident with this part of your learning and need to spend less time on it.

Rewind Button “Umm... I don’t get this. I need to take

another look at it”?

* You felt confused with this part of your learning and need to take another look at it. Was a new term used?

Play Button “Yay! I can do this and I’m handling it”?

* You felt proud you completed the activity or perhaps learnt a new idea.

Pause Button “Awesome, I just thought of something else

related to the topic or I would like to explore a related idea”?

* You felt inspired and would like time to explore.

Stop Button “Stop, I need to ask for help with this”.

* How did you get help? Did you ask a friend, the teacher or look in your book to get help with your learning?
